Codelocks offer a limited lifetime guarantee on mechanical Codelocks, and offer a 2 year guarantee on electronic locks. Locks that develop a fault through manufacture will be repaired or replaced free of charge if returned to Codelocks within the guarantee period.

PLEASE NOTE If no code is provided, the lock may be reset to default factory settings. Return your lock(s) with the override key(s) if available along with this completed form to:

For chargeable repairs, payment accepted by:

Or cheques made payable to Codelocks International Ltd

We will contact the above to discuss any charges before proceeding with the repair.

Faults cause by misuse or poor installation are not covered by the guarantees. A service charge of £18.50+ VAT will be applied to each lock covering minor replacement parts. For a guide to changeable parts please see the spares section found under the customer services banner on the website.
